The Honorable Jim Sensenbrenner  
The Sensenbrenner Committee  
P.O. Box 575  
Brookfield, WI 53008

Dear Representative Sensenbrenner:

National Right to Life is pleased to endorse you for reelection to the U.S. House of Representatives.

We strongly commend you for your perfect 100 percent pro-life voting record in the 115<sup>th</sup> Congress.

During the current 115<sup>th</sup> Congress, you voted for the *Pain-Capable Unborn Child Protection Act*, legislation to protect unborn children who can feel pain at 20 weeks, a point by which the unborn child is capable of experiencing great pain when being killed by dismemberment or other late abortion methods.

You voted for the *No Taxpayer Funding for Abortion Act*, a bill that would establish a permanent, government-wide policy against funding abortions or health plans that cover abortions.

You voted to block federal funding of the nation's largest abortion provider. And you voted to repeal the Obama healthcare law – a law that created a national program of massive federal subsidies for insurance plans that cover abortion.

Voters who are concerned with the right to life and with the protection of the most vulnerable members of the human family should vote to return you to Congress, so that you can continue to work to advance vital pro-life public policies.

Sincerely,
